You can register to vote if you are a U.S. citizen, not in prison, and you will be age 18 on the day of the next election.

Peace and Freedom Party calls for:

- A democratically-controlled, publicly-financed health care system.
- Free high-quality health care for everyone.
- End for-profit health care (no special treatment for the rich).
- Free immunization programs.
- No private patents for drugs developed with public-funded research.
- Price controls on drugs and medical technology.
- More substance abuse treatment and needle exchange programs.
- Safe and free pre-natal and childhood health care.
- Allowing women to choose birth alternatives, including birth control and abortion.
- Health care that emphasizes education, prevention and nutrition.
- More medical centers and education in low-income and rural areas.
- Special attention to preventing communicable diseases such as AIDS and Covid.
- Guarantee the rights of people living with AIDS.
- More research into diseases and disorders caused by man-made substances.
